

TROOP 1139 NOVEMBER CAMPOUT NOVEMBER 18 - 20, 2011

Camping & Program Information

PROUDLY PRESENTS

Battleship Cove

Don't just learn about history—**live it!** At Battleship Cove, you will experience firsthand what it was like to serve on board a Navy warship in WWII. You can sound the diving horn on [Submarine Lionfish](#) before you slip below the sea...you can crank the handwheels on [Big Mamie's](#) 40-mm guns as you knock enemy planes from the sky....

But your journey doesn't end there. Sail through the Cold War on [USS Joseph P. Kennedy, Jr.](#) and learn how the ship's unmanned [helicopter](#) hunted Soviet submarines. Or climb on board a high-speed [missile corvette](#) that the Soviets designed to fight us.

Whether you're a die-hard naval history buff or a casual enthusiast of military hardware, you'll have much to discover at Battleship Cove!

Note: We will be tent camping both nights at Camp Buxton in Rehoboth MA.
